

BACARDI®

JUST B

EVERY PARTY HAS ITS OWN FLAVOUR.

Couples were chilling
some were dancing real wild
the blonde undulated past again
this time she smiled

an apple mojito cuddled my palm
the cold warming my hand
I smiled back a dance
she asked me what brand

I started to samba
we were fire on the floor
she didn't want to stop
so we went back for more

Pausing to cool
the balcony beckoned
a sultry O melange
and the inevitable happened

Enjoy the flavours
the cocktails of moods
while there's Bacardi there's life
Just B, dudes.
