

## BHAI GURDAS INSTITUTE OF ENGINEERING & TECHNOLOGY WHERE VISION MEETS ACTION AND LEADS TO ACHIEVEMENTS PAR EXCELLENCE!

**Had it not been for a strong desire of Sardar H.S Jawandha-the chairman of Bhai Gurdas Group of Institutions, to elevate the standard of professional education in the region, Sangrur wouldn't have perhaps ever got an opportunity to witness the creation of this "educational-pride" of Sangrur.**

Into its eleventh year of existence now, Bhai Gurdas Group of Institutions offers a multitude of professional courses in the fields of Management, Engineering, Polytechnic and Law. The institute is also providing regular courses in M.Tech- Electronics and Communication and part time courses in M.Tech -Electronics & Communication, Mechanical and Engineering Production. All these courses are approved by AICTE. Apart from the above courses, the institute is also going to introduce M.Tech specializations in CAD /CAM, Power Engineering, Computer Science, shortly this year.

What started off as only a management institute in the year 1999, soon took a shape of a huge educational campus and now stands tall at the Sangrur-Patiala National Highway. This vivacious campus is spread across an area of 45 acres and the sprawling lush green lawns, right at the entrance, are there to greet you through this awe-inspiring abode of quality education-where the vision meets action leading to achievements par excellence! Sardar HS Jawandha is ably supported by his son Dr.Guninderjeet Singh Jawandha, Professor and Dean of Bhai Gurdas Technical Educational Society and daughter-in-law Dr.Suvreet Kaur Jawandha, the Associate Professor.

BGIET continues to provide 100% placement to all its eligible students. Top-notch

companies have been visiting the campus to recruit the talented, skilled and professionally 'smart' BGIETians for past many years. TCS, Infosys, HCL, Vodafone and Tech Mahindra are just a few of those big names which have provided excellent packages and growth opportunities to the graduates and post-graduates from BGIET. The institute recently organized a job fair which was attended by the delegates from over 20 reputed companies.

The convocation conducted by BGIET this year, had Dr.Iqbal Singh His Excellency Lt.Governor, Puducherry, as the Chief Guest. The occasion was presided by Dr.Rajneesh Arora, Vice Chancellor, Punjab Technical University and Mr Suresh Kumar, IAS, Principal Secretary (Technical Education, Punjab) was a guest of honor. A total of 457 MBA & B.Tech degrees were awarded to students. BGIMT, the sister institute of BGIET is also maintaining brilliant placement record by providing enviable placements to MBA and MCA students. Apart from 457 Students, 16 students were also awarded gold medal who were amongst toppers in their respective departments, by Dr.Iqbal Singh his Excellency the Lt.Governor, Puducherry.

With such a terrific placement-record behind their back, one can't resist the temptation to find out the driving force that thrusts the institute to produce such remarkable results. "The whole educational process in BGIET revolves around not
