

# A part of our history lies with you

For ITC, turning 100 this August would not be so special without you being a part of this fulfilling journey. And there is no better way to celebrate than to create a trail of our shared history. As a friend, well-wisher, associate or a former employee of ITC, you may be the repository of ITC memorabilia, souvenirs and keepsakes of vintage value that tell quite a few untold stories of this exciting journey. Your valuable contribution will be gratefully acknowledged and will enrich our Centenary Archive. If you would like to make history by sharing your souvenirs with us, please write to [itccentury@itc.in](mailto:itccentury@itc.in)
