

Shri Ramswaroop Memorial College of Engineering and Management

WHERE SUCCESS IS A WAY OF LIFE

Shri Ramswaroop Memorial Group of Professional Colleges is today, a brand name to reckon with in the quality circles of professional education. From modest beginning with a strength of 5 staff members and 22 students today it runs 12 programmes and has a strength of about 4000 students and more than 500 faculty/staff members and a well equipped modern infrastructure laid out aesthetically over a 50 acre campus. The group commands a very high level of trust and credibility in the environment amongst all stake holders - Be they students, guardians, faculty, or industry. The group has set a new paradigm in the field of professional education and its institutions are accredited by the National Board of Accreditation of AICTE and are also certified by ISO 9001-2008.

To a keen eye, the factors for this meteoric rise are clearly discernible with a team of dynamic and visionary couple, Er Pankaj Agarwal and Er Pooja Agarwal, at the helms of affairs, who, with a Gold Medal from IIT Kanpur, left greener pastures and, instead, took up the cause of education as their life's mission.

VISION

Creating a cadre of world class engineers and managers that can lead the society to claim its rightful place in the advanced world and be at ease anywhere in the world as experts and leaders in their fields of specialization is the vision of Shri Ramswaroop Memorial Group of Professional Colleges.

Under the able guidance of Chairman, Shri Lakshmi Narain Agarwal, who is a leading industrialist of Uttar Pradesh, the group is contributing to the cause of education. According to Shri Nagendra Kumar Agarwal, Secretary, SRMCEM, "Our group provides best of infrastructure and a spirited ambience to shape the career of its students"

The Executive Director, Mr. Pankaj Agarwal adds, "We lay emphasis on industrial readiness, and for that we expose our students to the direct experiences of top corporate leaders through seminars and symposia." The dean academic affairs, Mrs. Pooja Agarwal says "At SRMCEM, multiculturalism and cross-cultural communication is especially emphasized to sensitize its students for a changing global environment." The principal, Prof. A. K. Mehrotra, who is also a product of IIT system, has been substantially contributing to concretize the vision of the group.

COURSES AND SCHOLARSHIPS

SRMCEM is mainly known for its courses in Engineering and Management. For students who aspire to become engineers, the college provides Electronics and Communication, Electronics and Instrumentation, Electrical and Electronics, Information Technology, Computer Science, Mechanical Engineering and Civil Engineering as its main courses. Students looking to do

Management and Computer Applications may apply to the postgraduate-level MBA and MCA programs, which are affiliated to the UP Technical University, Lucknow. SRMCEM also runs undergraduate-level BBA and BCA programs, recognized by Lucknow University. In addition to the above, the college also offers a PGDM course.

A long, yet worthwhile, struggle of the founding members of the Shri Ramswaroop Foundation has brought the college to the status of one of the most sought after colleges in the field of Engineering and Management. Even in its as-yet short life span, the students of this college have secured high meritorious positions. Many of its students in various sessions have secured gold and silver medals in various B Tech, MBA and MCA exams of the U.P. Technical University.

SRMCEM gives away cash awards to students securing top merit positions, including the cash award of Rs One Lakh to the university topper, in order to promote academic brilliance. Apart from this, the college offers various scholarships in order to encourage economically underprivileged students.

ADMISSION

The admission in B.Tech, MBA and MCA

Cross cultural ambience of SRMCEM makes students feel comfortable in pursuing higher education abroad.

The strong foundation and strict adherence to the basic rules makes SRMCEM so unique.
