

NATIONAL INSTITUTE OF OPEN SCHOOLING PROVIDING FLEXIBLE EDUCATION

DR. SITANSU S. JENA
CHAIRMAN

Education has never been so accessible for school drop-outs and the disadvantaged, as it has been with the proliferation of network of study centers catering to the National Institute of Open Schooling (NIOS) concept. Continuously making efforts to make learning a different experience, the NIOS has emerged as a potential force in the field of school education for building an inclusive society.

Acclaimed as the largest Open Schooling system in the world, the NIOS is a premier open and distance learning (ODL) institution in the country in the school education sector, which is mandated not only to offer courses at pre-degree level with emphasis on skill development, both at the Secondary and Sr. secondary levels, but also promote school education across the states in a mission mode for achieving the goals of universalisation of elementary and secondary education in the country.

On-line Admission

From the year 2010-11, the NIOS has

introduced 100% On-line admission to facilitate learners to register themselves with it.

Under this scheme, there are four streams of On-line admission catering to learners with different needs.

Flexibility is the key to the open and distance learning system.

The NIOS provides an opportunity for continuing education :

- With freedom to choose subjects according to one's needs, interests and abilities.
- No upper age limit.
- Every learner is given five years time and nine attempts to clear the examinations which helps in reducing the psychological pressure on the student.
- Re-admission after five years for ex-NIOS students
- Facility of Transfer of Credits for ex-Secondary/ Senior Secondary students from CBSE and other selected Boards.
- Facility of Part admission is also available wherein a student can take admission in one or more subjects and on passing, will be issued only the statement of marks.
- To introduce greater flexibility in the system, the NIOS has introduced the On-Demand Examination System (ODES).
- ODE is being conducted in the NIOS headquarters at NOIDA as well as all its regional centres.

■ **STREAM 1:** is open to all learners as per the laid down eligibility criteria for Secondary and Senior Secondary level.
