

Babu Banarasi Das Group of Educational Institutions

Lucknow & New Delhi

Milestone of Brilliance in Technical Education

The Lucknow campus is adorned with a gracious wonder in white marble and sand stone in form of Lord Ganesha who blesses the campus and its inhabitants with peace, security and happiness. Lucknow campus is spread over 400 acres of lush-green student friendly environment located on the main Lucknow-Faizabad Highway, 13 kms. from Charbagh Railway Station touching residential colonies such as Indira Nagar & Gomti Nagar.

The mission of the Babu Banarasi Das Group of Educational Institutions is to serve students interested in pursuing academic excellence, to establish the groundwork for success in their graduate and post graduate studies. This would lead them to their chosen careers, and to become lifelong learners and effective citizens. The Babu Banarasi Das Group of Educational Institutions helps to foster the ideals of education in the Engineering, Computer Applications, Pharmacy, Architecture Management and Dental Sciences that develops intellectual capabilities and expands knowledge by exposing students to a variety of activities.

Jewel in the Crown

Babu Banarasi Das National Institute of Technology & Management was ranked 27th among more than 1000 private Engineering Colleges in India by Outlook magazine in 2008. This is truly a diamond befitting the Crown of the Babu Banarasi Das Group of Educational Institutions.
