

I.T.S GROUP OF INSTITUTIONS REDEFINING EXCELLENCE IN THE WORLD OF EDUCATION

DR. R.P. CHADHA
CHAIRMAN

I.T.S group of educational institutions is a fast growing group which has since evolved as a brand in the world of education. Established in 1995 under the aegis of Durga Charitable Society, started with its first Campus at Mohan Nagar, Ghaziabad is now four campuses strong, with establishments at Muradnagar and Greater Noida, imparting multi-disciplinary curriculum. The wide spectrum includes fields of Management, Information Technology, Engineering, Dental, Bio-technology, Pharmacy, Paramedical Science and related vocational courses.

The Group is headed by Dr. R.P. Chadha as its Chairman who believes in nurturing the potential and ensuring it to grow into a commitment to create a Thinking Professional Order. There is a strong societal, industry, professional and fraternity participation rendering the graduated students as highly sought

after product in the professional field.

The ITS Institute has 4 different campuses offering different professional courses. The Mohannagar campus started in 1995 in Ghaziabad offering PGDM, PGDM (Retail Management), PGDM (IT), approved and accredited by AICTE & equivalent to MBA by AIU. The MCA / MBA programmes are approved by AICTE & affiliated to U.P. Technical University, Lucknow. The BBA / BCA programme is affiliated to C.C.S University, Meerut. The Institute is a recognised centre for Doctoral Programme (Ph.D) in Information Technology & Management from U.P. Technical University, Lucknow & C.C.S University, Meerut. The Campus at Muradnagar started in 2000 imparts MDS (Approved by Dental Council of India), BDS (Recognised by DCI & affiliated to CCS), M.Sc (Biotech) / B.Sc (Biotech) and BPT (Affiliated to CCS University, Meerut) & B Pharma which is approved by AICTE, & affiliated to U.P. Tech. University Lucknow.

Two Campuses at Greater Noida started in 2006 and located at Knowledge park III offers B.Tech (approved by AICTE, & affiliated to U.P. Technical University Lucknow) with specialisation in CS, IT, EC, ME & EE & MCA/ MBA which are also Approved by AICTE, & Affiliated to U.P. Tech. University Lucknow. The Campus also offers PGDM approved by AICTE. The Second campus established as Dental College & Hospital offers BDS which is approved by Dental Council of India. I.T.S group profile can be seen at www.itsgzb.ac.in

K. R. MANGALAM THE GATEWAY TO HIGHER STUDIES

K. R. Mangalam, offering gateways to higher studies in Management, Engineering, Communication, Psychology and Education Sciences, has termed the move as a major filip to its efforts to offer time-relevant higher education at Under-graduate and Post-Graduate levels. "It is the ability to see from a global perspective that can provide a cutting edge advantage to the professionals of tomorrow" says Dr (Prof) Sanjeev Gupta, Director General, and K. R. Mangalam. Dr (Prof) Sanjeev Gupta is an alumnus of IMT, Ghaziabad has worked with IMT Ghaziabad as Chairman Placement & Professor for 17 Years and Director General IMR Ghaziabad.

K. R. Mangalam initiatives focus on value-oriented international affiliations, which can create job opportunities not only in India but overseas also, with equal acceptability and adaptability. To take the steps ahead K. R. Mangalam and Roehampton University, UK have signed MoU for Higher Education and even offers mutual scholarship for the same. "Quality and integrity are deeply embedded in activities the institute undertakes including its industry-specific programs" says AVM Rajiv Sharma, Director, K. R. Mangalam School of Engineering and Technology.

Located at the nucleus of the national capital metropolis Greater Kailash-I, New Delhi, campus life is inimitable, facilitated by the perfect mix of academic ambience and corporate feel. With wi-fi, air conditioned classrooms equipped

with the latest teaching aids; library accommodating resources relevant to teaching, learning, training, research and consultancy. The state-of-the-art computer labs outfitted with 120 nodes, multiple high-end-servers and round the clock Internet connectivity are backed by the latest technologies. Currently 600 students are enrolled for different courses and the experienced faculty members are driven towards making each student's dream come true.

Industry Resource Centre, empowering its students to forge their winning careers assures cent percent placement. The centre organizes industrial visits, lectures, pre-placement talks, personality development programs, conference, workshops, career counseling and training, group discussion, mock interviews, and more to bring out the best in every student. Companies where K. R. Mangalam pass-outs are employed include Nestle, MTNL, SAIL, CNN IBN, Escorts, Wipro, Hyundai, HCL, ONGC, BHEL, amongst other firms. Narrowing the gap between corporate houses and the institution is what the IRC aims at.
