

Meenakshi Academy of Higher Education and Research (Meenakshi University)

Creating Humanity that Truly Cares

Initiated under the bountiful umbrella of Meenakshi Ammal Trust established in the year 1983 with the motive of providing superior education to bright yet poor students, Meenakshi Academy of Higher Education and Research [MAHER] has been educating the best minds since 2004. Today MAHER stands regally with the credit of creating not just professionals with polished minds but with clarified hearts.

The Chancellor of MAHER, Thiru.A.N.Radhakrishnan believes that, service minded and enlightened students of today will create a future world that truly cares and has compassion for humanity.

Institutional Highlights

MAHER's Medical Institutions are known for creating qualified and selfless physicians every year and the sturdy success behind MAHER is its approach of humanizing the hearts of the students while providing the best learning support to students.
