

LORD KRISHNA GROUP OF INSTITUTIONS

ACHIEVING EXCELLENCE THROUGH QUALITY EDUCATION

Er. K. K. AGARWAL
Chairman

It is the endless efforts of the Chairman, Sh K. K. Agarwal that has brought fruition to the vision of the Trust in creating dream colleges such as the Lord Krishna College of Engineering and Lord Krishna College of Management. In his words, "The education system should be able to meet the rising expectation of the students and the demand of the global market." This thought process is incorporated at LKGI through pedagogical, scholastic and practical curriculum that sharpens the minds of its students and makes them better analysts to deal with the growing pressure in today's world.

Under the able and altruistic guidance of its trustees, the LORD KRISHNA Group of Institutions (LKGI) was established with a vision to breed professionals in the fields of engineering technology and management. With two off-shoots namely LORD KRISHNA COLLEGE OF ENGINEERING (LKCE) and LORD KRISHNA COLLEGE OF MANAGEMENT (LKCM), the Lord Krishna Educational Trust aspires to provide its students international standard education.

The LKGI is a synthesis of students from varied backgrounds in a highly integrated learning community. The mantra is to attain a holistic development of character and skills in all its students. Incorporated in the year 2005, LKGI is a non-profit venture. Both its colleges are affiliated to the U.P. Technical University, Lucknow and have been approved by the AICTE. The campus is situated along the National Highway 24, on a sixteen-acre land and is completely pollution free.

LORD KRISHNA COLLEGE OF ENGINEERING (UPTU College Code-224)

The primary college under the Lord Krishna Educational Trust, LKGI was founded in 2006 with the goal of fulfilling the ambition of students aspiring to become engineers. The college offers its students B.Tech courses in the following fields:

- Computer Science and Engineering
- Electronics and Communication Engineering
- Information Technology
- Mechanical Engineering
- Electrical and Electronics Engineering

LKCE also offers a Masters of Business Administration (MBA) course.

LORD KRISHNA COLLEGE OF MANAGEMENT (UPTU College Code-578)

Subsequently, in 2009, the LKGI Foundation incorporated their second venture, LKCM in Ghaziabad, which is mainly known for its MBA course. Annually, LKGI takes 550 new admissions in the above course. Since its inception, LKCM has achieved recognition and has been acclaimed in the academic and industrial field alike.

ACCOLADES

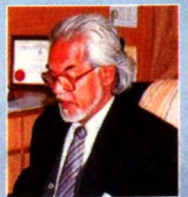

LKGI has achieved recognition and popularity over the last four years. Academically LKCE, the first college of the group of institutions, has improved ranking and over all percentage in all disciplines. LKCM has achieved landmark success in its very first year. LKGI has done equally well in extracurricular activities. It has organized special seminars, conferences, work shops, cultural programmes, sports meet, etc.

PLACEMENT CELL AND OTHER DIVISIONS

The Corporate Interface and Career Development Unit (CICDU) works towards bridging the gap between analytical and functional skills by training its students to secure the best of opportunities in the industrial sector. The CICDU promotes a proactive interaction between the academia and the corporate world. It prepares institutional modules that equip its students with skills to face real world challenges. The CICDU is supported by associations and bodies such as CSI, FICCI, CII, GMA, DMA and NHRDN. The Center conducts various events like MDPs, personality development programs for the student, guest lectures, industry visits, seminars and conferences, participation in education and career fairs, and networking to enhance their soft skills and provide an edge in the selection process. LKGI students have made it in reputed organizations such as the UB Group, R-Systems, Sterling and Wilson Pvt. Ltd and Ericsson among others. The first MBA and B.Tech batch of 2009 and 2010 recorded a 100% placement even during recession.

FACILITIES

The colleges under LKGI have separate fully air-cooled hostel facilities for boys and girls. Free coaching for hostel students, 24-hour power backup, Wi-Fi environment, etc. are other pluses. The campuses have a visiting doctor and all medical facilities. They house a well-stocked library, a shopping arcade and cafeteria. LKGI has buses plying to and from the college to Delhi and NCR.

Prof. Dr. H.S. SHARMA
Director General

To us education is a vehicle of human development, to make our youth competent professionals and excel in the emerging global environment. We are developing Lord Krishna Group of Institutions into a centre of Excellence in technical and management education and transforming our students into enlightened and dynamic young professionals ready to face the challenges of the Society and the Industry and add to the growth and prosperity of the nation
