

Raj Kumar Goel Group of Institutions Ghaziabad

Inspired by the philanthropic urge, RKG Group was established in 2000 by the late Sri Raj Kumar Goel. Today the Group has four leading technical institutions led by the **Raj Kumar Goel Institute of Technology.**

Shri Dinesh Goel, Chairman

One of the fastest growing group of technical colleges of NCR, the Group colleges include Raj Kumar Goel Institute of Technology (offering B.Tech, B.Pharm, MCA, MBA, M.Pharm), Raj Kumar Goel Institute of Technology for Women (offering B.Tech, MBA), Raj Kumar Goel Engineering College (offering B.Tech, MBA, MCA) and RKG Chandrakanta College of Management & Technology for Women (offering MBA). Today, RKG Group holds an enviable status amongst other colleges offering similar courses, and is the preferred option by thousands of students over the years.

The Group has an excellent infrastructure with state-of-the-art laboratories, computing facilities, automated libraries with 90,000 books and e-journals, modern well furnished hostels for 2100 students with its wi-fi enabled

internet connecting 50 acres campus. The Group has a highly qualified and experienced faculty headed by four Directors: Dr. M.P. Jhakanwal (formerly with MIT), Dr. V.K. Jain (formerly with HBTI), Dr. S.C. Gupta (formerly with IIT Roorkee) and Dr. N.K. Rai (formerly with Govt. of India).

During 2009-10, 690 students were in the graduating classes, out of which 310 have been placed by the first week of June in companies like Infosys, Wipro Technologies, Motherson Sumi, NIIT Tech, Munjal Showa, India Bulls, Kotak Mahindra, GTL, Country Club, AmDox, E.Flax, Accenture, Patni Computers, Mahindra Satyam, Cadila, Eli Lilly, Elder Pharmaceuticals, Elnathan etc. A number of companies are visiting the campus during the next three weeks and it is hoped the placed students will be in the range of 400.
