

GURGAON INSTITUTE OF TECHNOLOGY AND MANAGEMENT TURNING STUDENTS INTO TECHNOCRATS

Gurgaon Institute of Technology and Management, Gurgaon is established to take Engineering levels to an higher extent and groom and develop Technology Leaders in the field of Computer Science and Engineering, Electronics and Communication Engineering, Mechanical Engineering and Information & Technology. These courses are approved by All India Council of Technical Education, Govt. of India and affiliated to M.D. University, Rohtak. GITM is situated in lush green pollution free environment which makes teaching all the more effective and for students it's the best education environment that too so close to the city. The campus is spread over fully air-conditioned campus and has been distributed over well planned and well constructed blocks which houses technologically advanced, fully air conditioned, state of the art class rooms, modern laboratories, centralized digital library and computer centre, along with a completely modern

canteen painted by the students themselves. Each section is well lit and well maintained. The institute management has taken care to provide a truly enriched environment that contributes to the overall development of each student, an environment that nourishes overt talent and brings out latent ones.

In the 5 years of its establishment GITM has really made its mark in terms of excellent result which includes numerous university toppers and an excellent placement record for the students in some of the big brands like **Wipro InfoTech, Satyam, Caparo Maruti, Capgemini, Hewitt Associates, Dell Computers, IBM India, Ericsson, L&T InfoTech, India Bulls, Ea games** and lots more. Due to this exceptional record GITM has become one of the best Institutes in Gurgaon-NCR region in a record time. GITM has made its mark because of successful organization activities like Blood Donation camps, National Conferences and different Sports Activities.

DR. ASHOK KUMAR RAGHAV
DIRECTOR

INSTITUTE OF MANAGEMENT STUDIES (IMS) NURTURING GLOBAL LEADERS

Established in 1990, the founding fathers of the Institute of Management Studies (IMS), Ghaziabad had already nurtured a strong vision & mission in their mind: to emerge as a premiere business management institute in the northern region with the mission to churn out global leaders in the field of management and technology through innovations in education and excellence in research. As per recent CSR – GHRDC B School Survey (November 2009), IMS has emerged 2nd in U.P., 9th in North India & 19th in top B-Schools of Excellence in All India and 41st in Best B-Schools of India as per Hindustan Times Survey (4th Nov. 2009). The key reason for such sterling performance is our core strengths: highly qualified & experienced faculties, high quality students and structured Corporate Resource Centre (CRC), which is a symbol of academia - industry interface. The programmes are: PGDM, PGDM-IT (Information Technology), PGDM-MM (Marketing Management),

PGDM-TM (Tourism Management), PGDM-P/T (Part Time).

IMS is fully equipped with modern infrastructure and technological support to facilitate quality teaching, learning and personality development of its students. The state of art infrastructure developed over the years includes 24 x 7 Wi-Fi enabled campus, spacious, furnished, air-conditioned lecture halls, equipped with latest audio-visual aids and multimedia technology. We emphasize highly on producing 'techno-savvy' leaders. The 'Journal of IMS Group' (ISSN 0973-824X) is a bi-annual publication, which has circulation of over 2000 copies (including the copies sent to overseas).

Introduction of compulsory modules, like Foreign Languages and PPSP (Professional & Personnel Skills Programme), tremendously enhances acceptability of our future managers by the industry. Even the new entrants to IMS are exposed to glimpse of changing paradigms in the business world through 'Induction Programme' held at the beginning of each session. It is evident that IMSians have proved their worth on different fora by bringing laurels to their alma mater. IMSians have established 'Brand IMS' that stands for acquiring traditional values with modern outlook. It is beyond doubt that IMS is the right choice for students, guardians and recruiters in India, today.
