

UTTARANCHAL GROUP OF INSTITUTIONS TEMPLE OF HIGHER LEARNING...

Uttaranchal Group of Institutions, Dehra Dun are setup by dedicated educationists, visionaries and philanthropists. The ideal of expanding and promoting professional studies and research in India, was the guiding force behind the establishment of Uttaranchal Group of Institutions Dehra Dun. The group provides unique opportunities to the youth to pursue education in the branches of Law, Engineering, Management and Information Technology. UGI manages four distinct institutes on its vast campus, situated in the idyllic location of Doon Valley.

The UGI started its success story in the field of professional education nearly a decade ago with the establishment of Law College Dehra Dun; the first independent law college in Northern India. The college has another first to its credit; being a pioneer in the field of five year B.A.LL.B integrated course in Northern India. The Law college also offers three year LL.B course and LL.M. The college is approved by The Bar Council of India and affiliated to HNB. Garhwal Central University.

The group took another purposeful stride in the field of Engineering and Management in 2006 by setting up two more institutions; Uttaranchal Institute of Technology (UIT) and Uttaranchal Institute of Management (UIM). Uttaranchal Institute of Technology offers four year B.Tech course in five disciplines of Engineering; CSE, ECE, IT, EEE and ME. Uttaranchal Institute of Management offers MBA, MCA, BBA, BCA, B.Sc.(IT) courses. In 2009 the group started another institute in the field of business studies under the name of Uttaranchal Institute of Business Studies (UIBS) to accommodate burgeoning number of students in management studies. B.Tech, MBA and MCA courses are approved by AICTE and affiliated to Uttarakhand Technical

University, Dehra Dun. BBA, BCA and B.Sc.(IT) courses are affiliated to HNB. Garhwal Central University.

The hallmark of UGI is the trust it has built among the student community and the industry for creating work-ready, able and ethically strong human resource. The objective of UGI is to guide its students in discovering their innate talent, generate awareness of social problems, issues of national and global importance and respond to them with creative solutions.

Excellence and benchmark in academics is the greatest strength of the group. The philosophy of education at UGI lies, in using innovative methodologies of teaching, problem solving approach and creating application-oriented knowledge. The unique feature of UGI is its team of well qualified faculty, rich in academic and industry experience. The infrastructure of the institutions under UGI comprises the aesthetically designed campus, a series of buildings, strategically built for different branches of studies, sophisticated labs, moot-court, hi-tech computer labs, highly equipped series of libraries, lecture rooms, fitted with teaching-aids and Wi-Fi enabled campus. UGI campus is self-sufficient enclave with its well laid out roads, playgrounds, stand-by power generation and tie-up with leading hospitals for any medical emergency. The social system is the most distinctive feature of these institutions. The students from hugely diverse culture merge into the ethos of oneness and harmony and create a hugely vibrant campus.

The placement scenario at UGI is booming, with alumnus getting high profile placements in premier organizations in the country and abroad. Fortified with these unique features UGI is gradually moving towards the zenith of excellence.
