

JAIPUR NATIONAL UNIVERSITY COMMITTED TO QUALITY EDUCATION

Jaipur National University was established by the Government of Rajasthan in 2007 on the initiative of the Mahima Shiksha Samiti and the Seedling Group of the Educational Institutions. The University Conducts undergraduate, postgraduate and doctoral programmes in several disciplines, including Life Sciences, Computer Sciences, Pharmacy, Management, Hotel Management & Catering Technology, Engineering, Education, Media Studies, Law & Governance, Social Sciences and Languages and Literature. The University also conducts programmes through distance education mode. The University has a sprawling campus with excellent world-class infrastructure, Laboratories, Libraries, Playgrounds and Campus. wide round the clock networking. The University lays emphasis on interdisciplinary approach, semester system, ongoing evaluation, add-on programmes and dual degrees. Quality education and excellence in research are main concerns of the university.

All the programmes are conducted at 13 Schools, created as per the Act of the University. Currently, there are 6000 students and 350 faculty members in the university. The Jaipur National university has international tie-ups with Bond university, Australia. London School of Business Management, U.K; University of Central Lancashire, Uclan, U.K; Institute of Pre-service Training and Professional Teaching Practice, Freiburg, Germany; British Council for the Business English Certificate Courses of the University of Cambridge, U.K. and Lincoln University, U.S.A.

All the programmes of the University are as per the norms of the National Regulatory Bodies, such as the UGC, AICTE, PCI, DEC, NCTE & BCI. In fact, Jaipur National University was the first from among the Self-Financing Universities of Rajasthan to be inspected, recognized and approved by the UGC, under the clause 2(f) the UGC Act of 1965. The University is considered today as No.1 in Rajasthan and one of the top 15 Universities in Life Sciences in India. The dynamic and progressive Chancellor of the University, Mr. Sandeep Bakshi was Conferred with the Vocational Education Entrepreneurship Research (VEER) Award, 2009, at New Delhi, by the Confederation of Indian Universities. "Young and dynamic, Founder Chancellor of Jaipur National University. Mr. Sandeep Bakshi is a great visionary. He has been actively engaged in the promotion of quality education in Rajasthan for more than 20 years now. His extraordinary perception and sound understanding of the aspirations of the youth have been instrumental in garnering unparalleled success and goodwill in the field of education. In recognition of the innovations brought about by the University under his dynamic leadership the Confederation of Indian Universities conferred upon him the Vocational Education Entrepreneurship Research (VEER) Award, 2009."

SAMALKHA GROUP OF INSTITUTIONS KNOWLEDGE CENTER OF FUTURE

DR. RAJESH GOEL
DIRECTOR

Each institute has its own nature, temperament, personality and spirit. The mixing of academic fineness and professional learning is one of the Samalkha Group of Institutions' (SGI) distinctive strengths. We make every effort for high standards in the transmission of knowledge within a dynamic and interactive environment. SGI is affiliated to Kurukshetra University which has been conferred 'A' Grade by NAAC. Also our institute has invited reputed persons from around 65 companies for accelerating the Training & Placement activities & signing formal MOU's. IBM is our Education Partner and we are now proceeding for SIEMENS Solid Edge & PLM training programme in our institution. Samalkha Group of Institutions has been awarded with the Best upcoming institute in the region by Times Research Education Excellence Award 2010. Today's students expect and demand the institute to be responsive to their needs by creating new programs and services that will prepare them for the future they have envisioned for themselves. The teaching-learning connection is utmost vital. Thus, our arrangements and commitments are directed towards the realization of new projects, along with open access to the escalating worlds of technology. We believe in results, not promises. Let us strive together, as together we can.

PEARLS INSTITUTE OF HOSPITALITY AND MANAGEMENT HOSPITALITY REDEFINED

Pearls Institute of Hospitality and Management (PIHM) a beautiful 10-acre campus situated on the outskirts of Chandigarh. An Institute where facilities are of the highest quality including kitchens designed by chefs from Switzerland, fully equipped computer lab, a "live" hotel room, complete front office incorporating the latest hospitality software, 40 seat dining room, student tuck shop, state of the art teaching facilities offering wifi classrooms and in association with the British Library Chandigarh a fully equipped e-library. Students are lectured by internationally trained faculty from Europe and other global tourist destinations having worked in the finest properties. PIHM offers "western delivery" teaching methods such as Harvard University case studies in service management, student research projects and presentations. The host of student employment offerings both in India and Switzerland incorporate field work placement and guaranteed paid internships in Switzerland up to 2,000 Swiss francs per month. The PIHM advantage is offered in India and abroad as the Pearls Group is the owner of hotel properties in northern India as well as the Gold Coast Australia and Dubai. HTMI Switzerland is associated with major international brands including Marriott, Hilton and Radisson Hotels.
