Mohali. Punjab's buzzing techno city. Two lakh people, open spaces and fresh air. That's what makes Mohali the perfect city for future living.

Naturally, this meticulously planned city has been showered with attention from leading corporate houses and prominent national builders. Today it boasts of all amenities for modern, luxurious city living: Multiplexes, Shopping Malls, Hotels, Retailing Complexes, and Service Apartments etc. In addition, the PCA Stadium is the pride of the city, ranks as it does amongst the top cricketing venues in the world. The international character of Mohali has got further strengthened with the government's decision to upgrade the existing airport. The new International Airport will come up on an area measuring 300 acres, and will be equipped with all world-class facilities. Luxury living at its best, this ultra-modern city is all set to be the commercial hub of Punjab, thanks to its strategic location. Close to all the important business destinations in Punjab & next to Chandigarh International Airport, its commercial facilities will attract top business houses from across India. Moreover, its 40' and 60' wide access roads for residential pockets, wide enough for lavish living, evenly distributed parks and other facilities in the residential clusters will deliver a fresh definition of new age living. Poised to deliver the best of both commercial and residential worlds, the Greater Mohali Area has been planned by "JURONG International", the leading town planners and architects from Singapore.
