

Top Choice for a Global Career

Unique Educational Opportunities of a Lifetime

Reputed for Educating Students for Global Careers through lateral entry to prestigious US Universities for latter's accredited degrees

Ansal Institute of Technology, Sushant School of Art & Architecture and Ansal Institute of Professional Studies are the higher education institutes sponsored by Chiranjiv Charitable Trust. Ansal's interest in education is now more than 30 years old. The trust runs many schools in Gurgaon and enrollment in its various educational institutions is over 5000.

Ansal Institute of Technology, a NAAC accredited institute, has been recognized by UGC under section 2f and All India Council for Technical Education to run B.Tech. programs (CSE / IT / ECE / EEE) and has been among the premier institutes in North India for BBA, BBA (B&I) & BCA programs with GGSIPU, Delhi.

Winner of the HP 2009 Innovation in Education Award for engineering. One of the only two elite institutions in the country who got this prestigious award.

Ansal Institute, set up in the year 2000 is a premier institute with an exceptional track record in International Collaborative Education. It has a sprawling Wi-Fi enabled campus in Gurgaon, the new corporate hub of India. Through its programs in engineering, computer science and business administration, Ansal Institute has been giving value added courses to make the program holistic meeting the stringent Indian guidelines for a professional degree along with providing broad-based education so important for personality development – a feature considered important for senior executive positions in MNCs along with meeting the requirements of overseas universities.

Education Beyond Curriculum

The holistic approach adopted by Ansal Institute over the years has resulted in good placements in blue-chip companies like Wipro, Dell, Zee Hughes Systems, ICICI, Sapient, Mahindra British Telecom, IDBI, Sahara India, KPMG, John Deere, IBM, blackberry, Indiabulls etc. and admission to overseas universities like Clemson University, North Dakota State University, San Jose State University, Eastern Michigan University, New Jersey Institute of Technology, Tarleton State University, North Carolina State University, McMaster University, University of New Brunswick, University of Windsor, Saint Mary's University, Deakin University, University of Western Australia etc.

"My education at Ansal Institute laid a sound foundation for a global career. After my MBA from world-famous Thunderbird School of Global Management, USA, now I am with Zee Group."

Rahul Pruthi

Best Practices

- **Eminently Qualified Faculty** with rich global exposure & industry experience. Faculty from industry & overseas universities participate in teaching.
- **Learning Management System:** Teaching-Learning takes place by adopting the latest technology tools with the help of a Learning Management System designed & developed in-house. The portal also takes care of modules like registration, fees, attendance, grading, online feedback etc.
- **Value Added Courses:** Technology Workshops, Employability Skills Program, CII Summits, Industry Seminars and Personality Development Programs through various approaches like Theatre Workshops, Communication Workshops, Adventure Workshops & Excursions, Management Club and Student Societies provide students a professionally accomplishing educational experience.

Ansal Institute of Technology has been designated as Regional Centre of IUCEE (Indo US collaboration for Engineering Education) to enhance quality of Engineering Education and is now a member of IUCEE College Consortium

- **Strong Industry Interface:** Ansal Institute's Centre for Corporate Relations (CCR) has established a network of leading companies and brings a refreshing corporate learning experience for the students through Weekly Seminars by senior industry professionals. These seminars provide current industry perspective and changing trends. CCR also looks after making arrangements for summer training, industry visits, group discussions, campus interviews and final placement of students. CCR has an extraordinary 100% placement record.

There is a strong emphasis on developing Industry Tie-ups to offer joint programs and undertake collaborative research and consultancy with reputed companies like Pantaloon (Retail Management), Artemis (Hospital Management), Real Estate (Ansal API), HP, IBM and many others. Ansal Institute has academic alliance with world IT leaders like Microsoft and Cisco.
