GLOBAL INVESTORS MEET

One State, Many Opportunities.

## Welcome to Karnataka - the Knowledge Hub of Asia

In India, Karnataka has emerged as a major investment destination for investors world wide. Karnataka is at a point of inflection in growth. The State currently invests about Rs.11,000 Crores per year (4.5% of State GDP) in infrastructure and has a target of investing about Rs. 21,000 Crores per year (9% of state GDP) for the next 10 years.

### Karnataka's Infrastructure Advantage

1. Economic Survey data Feb 2010, indicates Karnataka as No.1 in PPP infrastructure projects.
2. Portfolio of 87 PPP infrastructure projects.
3. PPP cell under IDD as the nodal agency to channelize investment into the State in Infrastructure through PPP. It would assist Line Departments and investors in all phases of Project Development.
