Academic Excellence Awards

- Bestowed the Times Research Education Excellence Award instituted by one of India's leading Market Research companies, Times Research to recognise the contribution made by the private sector in promoting excellence in professional education in India.
- Adjudged among top Engineering Colleges with world-class infrastructure and faculty by a leading business magazine. The prestigious Academic Excellence Award presented by Hon'ble Former Minister of State for Home Affairs Shri Sriprakash Jaiswal.

Exemplary Performance. Excellent Results.

An experienced faculty, state-of-the-art infrastructure and wholesome academic atmosphere go into the making of toppers. It is the result of the institute's cutting-edge value addition programs that gives the students a sure-shot advantage over others. The 2008-09 results announced Saurabh Yadav as the University topper in Electronic Instrumentation with a whopping 83.76%. The meritorious Galgotian was awarded Gold Medal by His Excellency Sh. B.L. Joshi, Governor of Uttar Pradesh & Hon'ble Chancellor, U.P. T.U., Hon'ble Vice Chancellor Prof. Kripa Shankar; Dr. A.P.J. Abdul Kalam (former President of India) and Sh. Sadal Prasad, Hon'ble State Minister, Department of Vocational and Technical Education.

The college beamed with pride by the superb performance of Umang Shrivastav, Nitin Kumar Jain and Sushil Kumar Panday, all U.P.T.U. rank holders in B.Tech (Mechanical Engineering).

Seeing his students transforming into invaluable assets for the industry, GEI Chairman, Sh. Suneel Galgotia expressed the joy of contributing to the intellectual wealth of the country. He said, *"Education without well groomed personality is like a flower without fragrance. Amidst the best of faculty and facilities, we nurture a confident generation of engineers and management professionals. We don't treat them as a bunch, but as an individual entity who needs personalised grooming, so we clip off their inhibitions and add strength to their skills and talents. It's all because we want to grow true thinkers, genuine innovators who can explore their potential for research and development with deep sense of creativity, openness and diversity."*

A historic moment for GCET

On his recent visit to GCET, **Hon'ble Chief Minister of Assam, Sh. Gogoi** was highly impressed by the college's infrastructure. He took keen interest in the working culture of the institution and the extraordinary teaching-learning procedures followed here. He interacted with the faculty and was highly impressed by them. The dignitary applauded the management and congratulated the Chairman for achieving excellence in academics.

Faculty par excellence

GCET has a rich and renowned faculty of over 300 educationists with vast experience in academics and industry. The institute has highest number of M.Tech./Ph.D holders amongst them. The faculty has set new benchmarks by presenting over 100 papers which is one of the highest among any private engineering colleges in NCR. A world-class infrastructure and most fetching amenities give the students finest learning experience. Constant researching and updating through new projects keeps the college ahead of the competition.
