

One good move makes all the difference

Some universities are rooted in the past. At Shobhit University, we look to the future and believe in innovation. This is a vibrant, forward-thinking university with a reputation for high-achievers; students, academics and researchers. And as you make the big decision as to where you would like to spend your university years, there are specific things you might like to know about us:

We're modern

We're not an 'ancient' university and wouldn't want to be. What excites us is, providing quality teaching and research that makes a difference to the world – today and tomorrow. In fact, we are better than the best in many ways and have innovated the very essence and methods for knowledge dissemination through Open Source Learning Centre & the Virtual Library.

We're practical

Across all our Schools, we have a reputation of 'being pragmatic as we equip and orient you with practical approach to face the emerging challenges'. Our courses are geared towards delivering genuine practical values and our close links with corporate provide brilliant opportunities for our students to get their careers off to a great start.

Brilliant learning environment

Our University is known as 'the place of gainful learning'. Although our ethos go back to the times of our inception, as NICE Society, in the year 1989 but now it is more relevant than ever before. We recognize that when you choose to study for a degree, you will have expectations of what this means. You will want to expand your horizons. You will want to enhance your career prospects. We invest heavily in our teaching and learning facilities so that you can make the most of your university experience. We have been teaching for more than 21 years, but our faculty is much more senior. Well-known experts, scientists and leading business figures mentor the programs. Best of all, we provide you with support and guidance throughout your studies and to cap it all, our Ignited Minds Lectures Series will provide you the opportunity to interact with the best minds of the country and abroad.

World-class IT facilities

All our students have access to excellent IT resources and latest audio visual aids. We have a number of computer laboratories and are among the few universities having 1GB internet connectivity across the campus. There are also hot-spots across the University allowing Wi-Fi network access when and where you need it.

Superb sports facilities

Students who enjoy sport and to keep fit will love the facilities at Shobhit University. Our Centre for Sport and Recreation includes a cardiovascular suite and other facilities like squash, badminton, weight training and fitness classes. For lovers of outdoor sports, facilities ranging from athletics to football are available to choose from. It doesn't end here. There are a number of clubs, adventure sports and volunteering opportunities to join and making new friends is never difficult at Shobhit University.

Giving you the edge

The last mile of any education is to help develop the skills that employers truly value. The students as they pass through academic semesters have shifting goals and aspirations. It is here the challenge to deliver the students of as varied and most contemporary. The alumni and seniors are the role models along with industry mentors who ensure a level playing of resources being the same be it Meerut or Michigan, thanks to technology in live action at the Shobhit University campus.
