SHRI ASHOK PAL
CHAIRMAN

Ajay Kumar Garg Institute of Management (AKGIM) strives to build itself as an institution of quality management education, research, executive training development and consultancy. AKGIM strives to build a centre of excellence by building an excellent faculty and a rich intellectual capital base, state of the art infrastructure, technology-savvy campus along with commitment towards quality. The raison d'être of AKGIM is to prepare business leaders for the society to develop sound academia-industry collaboration.

Two Year Full Time PGDM Programme

A two year full time AICTE approved PGDM programme is the flagship programme of the institute which started in the year 2008. The programme is autonomous and is aimed at transforming young graduates into successful and effective managers. The prime focus of the programme is to prepare professionals who would take up leadership positions in organizations across industry, government sector and NGOs. The programme has been designed to equip youngsters with the basic set of knowledge, skills and aptitude that would be required of them in corporate/non-corporate organizations.

Teaching and Pedagogy

AKGIM has an excellent faculty, core and visiting, with rich experience and knowledge. On top of it, the institute regularly invites experts from the industry.

The pedagogy of the Institute is in line with the best of the b-Schools in across the globe. The pedagogy includes lectures, case study discussions, presentations, group discussions, management games, syndicate method, projects and field visits. In addition to the summer training projects, students are assigned small projects during the session in order to enhance their practical exposure. Another unique feature of the Institute's pedagogy is its Human Process Labs which are extremely beneficial in behavioral and attitude training of students.

The Metamorphosis – Personality Development

At AKGIM, we singularly believe that we have to metamorphose our students into world-class professionals. We inculcate professional attitude, behavior and skills which must take place within the course span of two years. Each trimester has modules on professional and personality development which aim at enhancing communication skills, non-verbal skills, emotional intelligence, creativity and innovation among the student managers. Services of professional trainers are utilized for this purpose. The institute also offers modules on foreign languages in order to increase the employability of its
