

AKGIM HIGHLIGHTS

- State-of-the-art Infrastructure with Wi-Fi Campus.
- 100% Placement with multiple job opportunities for 2008-10 batch.
- Faculty with excellent background of research and consultancy.
- Well designed curriculum relevant to the current industry trends.
- Focus on industry interaction and live projects for students.
- Live Projects for students
- Well stocked library, e- journals and digital library

students in the globalized business environment. Another redeeming feature of the Personality Development process is mentorship culture in which the faculty, mentors the student managers on a continuous basis.

Academic Infrastructure

The sprawling 40 acre lush green and serene campus of AKG has the perfect setting for arduous hours of studies and activities.

AKGIM has an air conditioned library centre with a large number of books along with a number of Indian and foreign journals. It has online subscriptions to various journal resources. These resources are available to students

and faculty for research and course work. The library also subscribes to compendiums, directories, Year Books and CD-ROMS. Digital resources on many subjects are made accessible through Greenstone Software in the Library.

In tune with the demands of the times, AKGIM possesses an enviable technology set up. With 2 mbps internet connectivity & wi-fi enabled campus AKGIM rates among the best. The computer centre of the institute is fully equipped with the latest statistical software like SPSS, SYSTAT, etc to facilitate student projects and research.

AKGIM possesses an enviable infrastructure with air conditioned class rooms built in theatre style with mounted LCD projectors, OHPs and sound amplifiers. There are separate seminar halls and conference rooms for conducting academic activities apart from teaching. The aesthetic architecture combined with the green environs furnishes a perfect ambience for the learning process, co-curricular activities and professional development. The institute has 200 KVA power back up for uninterrupted flow of activities.

Hostel

Students are encouraged to stay put in the AKGIM hostels for their overall personality development. The institute provides hostel accommodation to both male and female students in student residences located both within and outside the campus. The hostels are aesthetically built with 24 hr water and power supply, solar heating systems for hot water in winters and provides clean and hygienic food. Other facilities like indoor sports, gymnasium and facilities for outdoor sports are also available for the overall recreation and development of the students.

Training and Placement

The institute provides support to its students in their training and placement by a full fledged Training & Placement Cell comprising of students and headed by a Senior Faculty member. The cell helps the students to find suitable placement in corporate sector. The placement cell has been able to achieve 100 percent final placement for 2008-10 batch with multiple job opportunities in companies like Future Group, Maruti, Kotak Life Insurance, Infra- Power, UNICON Real Estates, Toyota, Kotak Securities, Fore Media Communications, LIC, FCS Software Solutions to name a few. At present the cell is engaged in providing support to summer internships of the students.

The Vision

With a definite philosophical outlook, concrete vision, awareness of the changing paradigms of management education as well as corporate sector and backed with adequate resources AKGIM is striving to make its contribution in the field of management education par excellence.
